May News...

We have to start off by acknowledging all you Superstar mommas!! We hope you all get smothered in kisses and hugs from your Stars and spoiled this Mother's Day because you all deserve it!

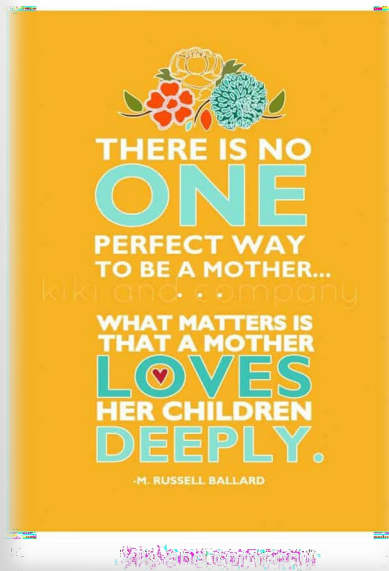

Our Stars have been interested in everything Spring, bugs, our mud kitchen, scavenger hunts, digging, and dress-up.

This month we are going to get our grow on as our Stars have been interested in digging, watering, and the growing cycle of plants. We will be collecting worms for our worm jar as soon as we get some rain, feel free to contribute! We have caterpillars coming that we get to watch turn into butterflies and we will go on bug hunts often!

We plan to be outside often so please dress your child accordingly and remember sunscreen, hats, water bottles, splash pants, and extra socks.

We are going to support our favorite sports by wearing outfits/jerseys to school, don't forget to cheer on the Oilers lol!!

Big shoutout to our staff that have worked hard to achieve their next level of Early Learning and Childcare at Red Deer Polytechnic, Miss Michaela will be graduating in June. Your hard work, passion, and dedication to your profession is admirable. That's how much we love what we do, we keep learning and staying current so we can offer our best to our Stars.

Hugs from the Little Star Staff!
