 - IRIC students welcome to join at 3PM
 - 29th - Combined PD @ Little Star
 - 30th - CLOSED
- Roots of Empathy -TBD

We have made it to June! We are really looking forward to summer!

In May we spent a lot of time outside. We played on the park, made our mark with chalk, and did plenty of relay races and challenges to work on team building within OSP.

In June we will continue to enjoy the warmer days outside so it is important that your Star is coming with a hat, sunscreen and water bottle every day. We will be having lots of fun as we get excited for the end of the school year including more obstacle courses and relay races and bringing some of our indoor activities outside. We will also have some opportunities for water play such as; water balloon fights, water relays and water bins outdoors. These are always a blast however sometimes Stars get quite wet and like to have an extra change of clothes to wear after. This month we also sad goodbye to Miss Sid however, we are very excited to welcome Miss Erica back to OSP for the month!

June Birthdays!

- Haley (1)
- Miss Pam (22)

A couple of reminders this month; summer camp registration is open, please let a staff know if you need a registration form or they are available on our website. As we spend time outdoors often please make sure your Star has sunscreen, a hat, and water bottle, splash pants and extra socks are a good idea too! Lastly please remember to always check in with staff at pick up. **Hugs ~ St. G OSP Staff**
