January 2025

We hope everyone had a wonderful winter break and look forward to the New Year! We have a lot of fun activities planned to do with our Kinders Stars this month. They have been showing interest in dinosaurs, building, and helping animals. Though January is typically colder we hope the weather participates as we try to get outside daily and hope to have more chances to go sledding.

THIS IS A PEANUT FREE ZONE

Your Kinder Stars worked hard in November and December to earn a popsicle party. They had to earn 15 stars in our Star Jar by being kind and being bucket fillers. We earned it right before the break, but being such a kind group they wanted to wait until everyone could be there. So we will have it in January. Congratulate your Star on all their hard work!

January is bringing colder temperatures, please dress your Star for being outside daily. (waterproof mittens or gloves, snow pants, coats, boots and touques) No thin gloves or mittens please as their little fingers get cold and wet quickly.

Please label your child's items so they do not get lost.
