October News...

Welcome to Fall!

We had a great first month connecting with all of our Sweet Stars!

We have been observing that our Stars have shown a huge interest in water play, painting, and role-playing family and office! They love learning about and experiencing nature and outdoors especially catching lady bugs.

We have lots of interest in music and our Stars love singing and dancing. We welcome any of our musical parents to come in! We are working on our scissor skills and building fine motor skills with lots of fun activities that encourage development through play such as sand, water, play dough and other sensory activities. As the weather cools off, please dress your Star for continued outdoor play including boots, splash suits, toques, and waterproof mitts. Please label everything and it might be handy to use a bag to keep all items together in such as a reusable grocery bag.

Quick note that we are starting to work on signing our "Autographs", please have your Star use a capital for only the first letter of their name followed by lower case letters for the remainder. We are also starting "Special Days" where your child will get their face painted, and take home our special buddy for an adventure sleep over. You will help your Star write about their adventure and send back next class to share!

As we are very thankful for all we have, we would like to help those in our community and will collect donations for our local food bank in cash donations (charity receipts given) or all non-perishable items are of course welcome.

Dates to Note!

Oct 5th & 6th
School Photo Day

Oct 9th, 12th & 23rd
