2026

Dear Families,

Over the past month, we started our Friendship Club, and it has been so much fun! The Stars have been building new connections, practicing teamwork, and participating in activities that help strengthen positive friendships. It's been wonderful to see new relationships forming and everyone supporting one another.

We've also been spending more time in the kitchen! The Stars have enjoyed learning how to make different treats and snacks. Cooking together has been a great way to build independence, teamwork, and confidence while having lots of fun.

We have a week of PD days coming up. Please make sure your Star is still dressed appropriately for the weather and has proper outdoor clothing. As the snow begins to melt, splash pants and rubber boots will be especially important to help keep everyone dry and comfortable during outdoor play.

Lastly, we have started reading our new chapter book, *The BFG* by Roald Dahl. The Stars are already loving the story! Once we finish the book, we will celebrate by watching the movie together
