

OSP NEWSLETTER

September 2026

DEAR OSP FAMILIES,

We are so excited to be starting a brand new season and getting to meet our new Stars and returning ones! For the month of September, we plan on getting into a routine and learning your Stars hobbies and interests. We plan on being outside weather permitting. Please ensure your Star has proper outdoor gear and that everything is labelled. Water bottles are mandatory to stay hydrated. Our dedicated team is eager to nurture the curiosity and growth of every Star, ensuring that they feel supported and inspired every step of the way.
