LITTLE STAR OUT OF SCHOOL PROGRAM

September 2026

Welcome to the 2026/2027 School year!

Dear New and Returning Families,
Welcome back to a new school year! We are so excited to get to know you all. As we move into a new season, we have an exciting lineup of new activities and experiences, updates, and important information to share. At Little Star Play-school and Out of School Program, we strive to provide a safe and fun environment that allows your children to make friends and experience new opportunities.

Here are some of the most important things to remember:

- We use "Be kind, Be safe, and Be respectful" as our main three rules. Dismissal of the rules will not be tolerated. Staff will be sure to communicate through message or in person if any issues arise and are always there for support
- Indoor shoes are needed for the program. IRIC students can leave a pair at the program, while St Greg's students can bring theirs from school.
- Water bottles are mandatory daily
- Roll call will be sent a week ahead (Monday, Wednesday, and Friday) it is mandatory to respond weekly in order to ensure your hours

Miss Michaela-

This is my second year with Little Stars and my first year as a Level 3 ECE! With four years of experience in childcare, I love creating a safe, welcoming, and fun environment where every child can thrive. Outside of work, I enjoy spending time with my family and two dogs, exploring the outdoors, and, believe it or not, cleaning! I look forward to getting to know you and your shining Stars!

Miss Ann-

This is my fourth year with Little Stars, and working with children is truly my passion. What matters most to me is creating a safe, secure, and welcoming space where every child feels valued, supported, and confident to be themselves. Outside of work, I enjoy cooking, travelling, creating content, and spending time with family and friends. I look forward to making many more special memories with the children!

Miss Taya-

Hello! I'm so excited to be part of the Little Star team. I've been with Little Star for the past 7 months and have been working as an ECE for 11 years. I'm passionate about creating a safe, caring, and welcoming environment where children feel supported, valued, and encouraged to explore and learn. I'm a proud mom of three and a big lover of the outdoors. When I'm not at work, you can find me gardening, training horses, or caring for my many pets. I'm looking forward to getting to know each of you, building meaningful connections, and sharing lots of fun and learning together this year at OSP!

Miss Brynn-

In my free time, I enjoy taking my dogs on long nature walks, camping, cleaning, and spending time with my family. I love working with children because they bring so much joy and happiness into my life. My goal is to always make every child feel safe, heard, and valued. I've been part of the Little Stars team since March, and I can't wait to get to know everyone!
