November Recap

Our Stars have had a wonderful month together, it's nice to see everyone settling back in and playing again! We've seen some beautiful new friendships and groups forming. Through November we noticed strong interests in sensory activities, creating loose part art and dress-up! We've been able to spend lots of time outside and in the gym, hockey and creating dance routines seems to be a crowd favourite. Now that the snow is here, the excitement for Christmas has begun. We are looking forward to all the tree decorating, ornament making, Christmas music this coming month will have to offer!

Reminders

- With the weather change, we want to remind you that we still go outside daily (weather permitting). Please make sure your Star is prepared with the proper gear to participate
- Please remind your Star to bring their indoor shoes with them daily, we want to respect the school and keep a clean space, this is also a licensing requirement. IRIC Stars can leave a pair in the classroom
