## June 2022 News...

The end of school season is upon us!

We have been stopping to smell the beautiful flowers, and checking out all the cool bugs emerging this spring. We will continue to explore nature and the current weather patterns. There will likely be several days this month where we will go to the splash park to celebrate graduating Kindergarten! We hope to see you during Summercare!

Please watch for the Reminds sent out prior to these days.

Please check the weather daily, and send clothing appropriately. The need for sunscreen is upon us—if you send it with your kids, we will make sure it is applied thoroughly.

### Reminders:

- Registration for Summercare is open, check the website!
- You are able to register for one week at a time.
