November 2026

Our Kinder Stars have been busy building, creating, exploring, and asking lots of great questions! From designing our own little town with roads and buildings to becoming amazing builders, we have been sharing ideas, working together, and bringing their imaginations to life. They were curious about our community, watching the Blackfalds crew put up Christmas lights.

Through these everyday adventures, our Kinder Stars are learning to solve problems, try new things, share their thoughts, and build on each others' ideas. We cannot wait to see where their curiosity leads us next!

In Kindercare we will be introducing our Star Jar. We are watching for when our Stars follow the three rules. Be Safe, Be Kind, Be Respectful. When they earn enough stars, we will have Timbits to celebrate!

Pick-up will be on the Kindercare side until 4:15 pm, then we will be over on the Little Star side. If any thing changes, we will update you through Lillio.

November brings colder temperatures, please dress your Star to be outside daily. (waterproof mittens or gloves (no magic mittens), snowpants, coats, boots and toques)

Where do polar bears keep their money?

In a snowbank!
