### April News!

Recently the stars have been interested in hiding and seeking objects and "solving the mystery" type play. They are still interested in family play, especially with babies! They love practicing their gross motor skills and are showing an interest in science and nature, including Spring. They love our "Joke of the Day" times. We will be expanding on those interests as well as introducing some new concepts.

We are learning about our community and have been going on walks to see what businesses are around. We even popped in to welcome the new hardware store to town! We will host a big Superhero dress up Earth Day garbage clean up in our community. (Families are welcome to join us!) This instills a sense of pride and responsibility in where we live. We will also talk lots about recycling and other ways to keep the Earth healthy and for us to be superheroes to the planet!

Reminder that we are here for you should you want to discuss how your Star is doing, contact us through the Lillio App.

As we hope to be outside daily, please ensure your Star has proper clothing for all types of Alberta spring weather.

Classes for next season are filling up quickly, please get your registration in asap to secure a spot for your Star. Summercare registration also opens April 1<sup>st</sup> Huge thank you to the volunteers that have come in to do the Toy Cleans, we appreciate you helping us keep clean and healthy.

Hugs from all the Little Star Staff!

### Dates to Note!

**No School**  
**April 3rd, 6th, & 24th**
