## April 2025

Spring is just around the corner and warm weather is on its way. There has been a lot of interest in the changes happening outdoors so we will be exploring all the changes of the season and nature. We will be talking about Earth Day, the importance of recycling and doing a community garbage clean up.

What type of bean can't grow in the garden?

A jellybean

I know with the weather changing its hard to know what do send for weather appropriate clothing, we do spend time outside daily and when snow is on the ground, they require waterproof mittens, snowpants, coats, boots and touques.

When the snow does melt, they will require rubber boots and splash pants to keep them dry.

We are having so much fun with our Kinder playlist and all the dance parties! If you have not had a chance to send your Star's favourite song or they have more songs we would love to add them to our playlist!

If your child is sick or you no longer need care please contact us through Lillio prior to time of care.
