Newsworthy...

February the month of Love! This month we will focus on filling buckets through kind gestures, loving words, and songs. Our Stars have been enjoying puzzles, baking, dramatic play, building, movement challenges, art, and science, so we've added new materials to our centers to support these interests. We will also begin learning about the Olympics!

We will celebrate Valentine's Day with a card exchange. Children only need to sign their names—no addressing required. A class email will be sent with the number of Stars in each class. This is great name-writing practice—please do uppercase for the first letter only, then lowercase for the remainder.

We want to make a friendship fruit salad and we ask each family to send one type of fruit. The Stars will help wash, cut, mix, and enjoy it together. Please send labeled outdoor clothing daily, as all classes will randomly spend time outside. We are impressed with the progress on getting themselves dressed. If you're interested in a Star Parent text chat, let Miss Becki know.

We appreciate your feedback/ideas and look forward to a wonderful month!

Hugs, Miss Becki & Star Staff

The children are the curriculum.

Lisa Murphy
(Principal)
