September News...

Welcome Star Families!

We are excited for the new experiences to come as we embark on this new season!

We are excited for the new friendships and the continuation of already formed ones. We will spend this month getting to know each other, setting expectations, implementing the bucket filling philosophy, and of course, spending lots of time playing. Please send a printed family photo with your Star so we can post it in our family book, this does not have to be a professional photo but they love to look at these and show their friends! You can also send a printed photo of your pet for our pet board!

We will play outside often so please be sure to send appropriate outerwear daily and label everything! Watch the Himama app for updates and communication daily as well as our Facebook/Instagram Pages.

I welcome any feedback and/or ideas you may have as we are always striving to improve our programs and to build relationships with our Star families. It takes a village and we are honored to be a part of yours! Please visit the website www.littlestar.com to view our staff photos and hope to see you in person at our Meet the Teacher Events!

Hugs from the Little Star Staff!
