

LITTLE STAR OUT OF SCHOOL PROGRAM

**NOVEMBER
2025**

Dear Families,

October has been a whirlwind of fun and activity, and we're thrilled to see new friendships blossom with the combination of both OSP programs. A heartfelt thank you to everyone who contributed donations.

It's important to ensure your Stars are equipped with everything they need as we enter these cold months: waterproof mittens, toques, snow pants, and winter boots, all labeled. We spend time outdoors every day, even for simple walks to & from school. This month has sparked a growing interest in sensory learning, new card games, and building creative structures with Lego blocks and magnet tiles.
