HAPPY SPRING.

Are you a bucket filler or a bucket dipper?

Fill someone's bucket today!

March is here! We are excited for warmer weather and lots of outdoor fun ahead.

Our Stars have been very interested in family play — especially babies! We now have a nursey set up in dramatic play and our new sandbox has been a huge hit. We've been strengthening scissor skills and building literacy through fun activities focused on letter and number recognition and writing. Our Pre-K Stars are loving extra challenges — from building and puzzles to movement games.

Cooking and baking in our outdoor classroom has been a favorite, and we're planning a nature walk to search for new "ingredients." We will continue reinforcing our Be Kind, Be Respectful, Be Safe philosophy while introducing different cultures and languages into our program. Let us know if you have any cultural music, sayings, or other items that we could share with the Stars.

There will be lots of movement as we build both fine and gross motor skills.

As we spend more time outside, please pack appropriate outerwear, including rubber boots, splash pants, and extra socks.

We're looking forward to trying to catch a leprechaun — don't forget to wear green or you might get pinched!

As always, please reach out with any ideas, questions, or feedback. We are always striving to grow and improve.

Dates to Note!

No School
March 13th,
Spring break
March 23rd-27th

Daylight savings
March 8th

St. Patrick's Day
Wear Green
March 16th & 17th
