Dear Families,

October was a fantastic month for our OSP Stars!

We have been seeing lots of creativity with our smaller building materials, such as Plus-Plus, Lincoln Logs, and LEGO! It has been wonderful watching our Stars use their imaginations to create some pretty amazing things!

We have also loved seeing our older Stars take on leadership roles by helping our younger friends. Some have even been heading over to our Kinder program to become little mini teachers!

Of course, we have been making the most of this beautiful fall weather and enjoying as much outdoor time as possible. Fingers crossed it sticks around a little longer!

A Few Friendly Reminders!

Dressing for the Weather:

As the colder months approach, please ensure your Star is dressed for all types of weather and that all belongings are clearly labelled!

A helpful tip is to send a reusable cloth bag for winter gear. This helps keep everything together and prevents wet clothing from soaking their backpacks!

Food Bank Donations:

We are still collecting donations for our local food bank! Our Stars love helping deliver the donations and seeing how they can make a difference in their community!

– Miss Emily, Miss Jody & Miss Jolene

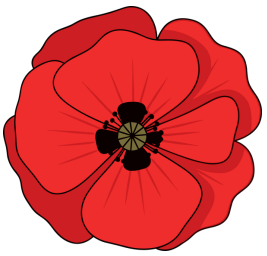

Dates To Note

PD Days : 9, 10, 12, 13 and 27

Closed: 11 Remembrance Day

Birthdays

Blake P : 1st

Friendly Reminders:

- We are a peanut free facility
- Parents must get out of their vechicles at drop off and pick up
