### February 2026

February may be the shortest month of the year, but we have so much packed into it! Beyond Valentine's Day, February is the International Month of Friendship. This month we will be celebrating friendships, strengthening our connections and continuing to choose kindness everyday.

In January we began earning stars for our Star Jar as we work towards a show and tell day! The children are very excited!

If your child is sick or you no longer need care please contact us through Lillio prior to time of care.

February is bringing more snow and chilly weather, please dress your Star for being outside daily. (waterproof mittens or gloves, snow pants, coats, boots and touques) No thin gloves or mittens please as their little fingers get cold and wet quickly.

Please label all your child's items so they do not get lost.

We will be having a Valentine's Celebration on February 13th. If you are sending valentines or treats, we have 19 students in our program. Just have your child sign with their own name.

What did the kitten say on Valentine's Day?

Your purr-fect!
