## December Recap

December was so kind to us! We had so much holiday fun, especially with sledding and snowman making! We really enjoyed messy play inside this month. Papier Mache and creating salt dough ornaments were a huge success. One of our biggest interests this past month has been building and creating with loose parts, as well as playing some new board games like Guess Who and Trouble! We can't wait to see what this New Year brings! We are looking forward to hearing about everyone's holiday adventures and are over the moon to be back with your Stars!
