FEBRUARY
2026

Dear Families,

Over the past month, our Stars have been diving into open-ended art, building, minecraft, and engaging in lots of dramatic play and dress-up.

These activities have encouraged creativity, imagination, and collaboration.

We are also excited to share that we have launched our new OSP Friendship Club, where Stars will take part in guided activities and games designed to build social skills, strengthen friendships, and create new connections in fun, supportive environment.

Registration opens up to the public on February 1st and it is first come first serve.
