Welcome to OSP!

Little Stars Educators are so excited to welcome new and returning Stars! We are thrilled with excitement to get to know everybody this year and make new friendships and memories.

September News

For the month of September, we plan on building relationships and getting to know everyone. Our first day of OSP is on Sept 5. Please send your Stars with water bottles everyday. We also ask that your child comes dressed prepared for the weather as we do plan on staying outside whenever we can.

Roll Call:

Roll call will be sent out weekly via Himama. Mondays first roll call will be sent then on Wednesday an updated roll call and Fridays will be the last updated roll call for the week then all dates and times will be locked in.

Drop Off & Pick Up

If your Star is coming to OSP in the mornings, we will leave the program at 7:45 a.m and walk them to the school.

At 2:30 staff will head to the school and wait on the east side near the office doors. Once your child has made it to our care, we will sign them into Himama.

We will leave a sign on the front door at the program and send a message through Himama on our whereabouts.

Miss Christina

Hi, I am Miss Christina. I live in Blackfalds with my husband, three kids and my pup. I am currently going to Red Deer Polytechnic for my level two Early Childhood Education, and this is my second year at Little Star. I enjoy spending time with my family and watching my kids play sports. My passion is working with children and I can't wait to meet all the Stars this year.

Miss Barb

Hi. I am Miss Barb. I am a mother of three and I have lived in Blackfalds for 13 years, but I am originally from Nova Scotia. I am very passionate about making sure children grow up with a nurturing environment. I became very passionate about child development when my oldest was diagnosed with autism at the age of 3. When I am not at OSP, you can find me as an E.A. at the IREC elementary school. I am looking forward to this year with all your Stars.

Miss Emily

Hi, I am Miss Emily. I live in Red Deer with my sister, as well as my two cats Frankie and Luna. I am finishing up my level three of Early Learning and Child Care at Red Deer Polytechnic. I love spending time with my family and friends. I can't wait to build strong relationships with all the Stars at Little Star.

Miss Ann Mariya

Hi, I am Miss Ann Mariya. I am from India and currently residing in Red Deer. I am continuing my level three Early Learning and Child Care diploma from Red Deer Polytechnic. I love children and working with them makes me happy. I am excited to be part of this journey with Little Star.
