April News!

Recently the Stars have shown a big interest in risk taking play, recycling/loose part creating, and outdoor play. We will expand on these interests this month by setting up obstacle courses, outside activities, new art experiences with unusual materials, and a big Superhero dress up Earth Day garbage clean up in our community. (Families welcome to join us!) This instills a sense of pride and responsibility for where we live. We will also talk lots about recycling and other ways to keep the Earth healthy and for us to be superheroes to the planet! We can't wait till 100 Year Old Dress Up Day, send your Star dressed up like little old men and ladies!

Reminder that we are here for you should you want to discuss how your Star is doing, contact us through the Lillio App. As we hope to be outside daily, please ensure your Star has proper clothing for all types of Alberta spring weather. Classes for next season are filling up quickly, please get your registration in asap to secure a spot for your Star. Huge thank you to the volunteers that have come in to do the Toy Cleans, we appreciate you helping us keep a clean, and healthy environment for our Stars.

As always, we welcome your feedback/ideas as we are continually striving to improve all of our programs.

Happy Easter to all of our Star Families!!

Hugs~ Little Star Staff
