June 2024 News...

This month is very busy and bittersweet for us as we prep for the Pre-K graduation, saying goodbye to the Stars that have become so dear to us but are so ready to spread their wings and fly!

It has been an honour for my staff and I to have had the opportunity to teach your Stars this season and to be a part of their first school experiences. We have seen huge growth in developmental and social skills as well as tapping into their creative and engineering abilities. We love that strong friendships have developed, not only between the Stars but families as well! Thank you for entrusting your Star to us and know that once you become part of our Star family, you are always considered Star family!!

To quote Dr Suess, "Don't Cry Because it's Over, Smile Because it Happened." We are ending our season on a happy note and wish you all a beautiful summer!

It's not too late to register for summer care! Visit the website or ask staff for a form.

I encourage you to share your feedback on your Star's season with us as I am always striving to improve my programs and your input is invaluable.

Biggest Hugs ~ Miss Becki & Superstar Staff

"We didn't realize we were making memories, we just knew we were having fun"
