May 2026

Spring has finally arrived, and warmer days are just around the corner! We are excited to continue exploring the many beautiful changes happening in nature this season. During our walks and time at the park, we've been spotting cheerful ladybugs and other fascinating insects.

Our caterpillars will be arriving soon, and we look forward to observing their metamorphosis into butterflies as we learn about their life cycle together.

Registration for summer care is now open. Spaces are limited and, on a first, come first serve basis.

With warmer weather here we will be travelling to parks farther from the program. Please ensure that your Kinder Star has good walking shoes, sun hat, sunscreen and a water bottle everyday.

On Wednesday, May 6th Albertans are invited to take part in Hats On! For Mental Health and wear a hat to raise awareness of the importance of mental health.
