

ST. GREGS/IRIC OSP

February 2026

January Recap

2026 is off to a great start! We have been working super hard on building friendships and treating each other with kindness. We talk about being Kind, Safe, and Respectful. It can be challenging for young children to put meaning to those words, so we have talked about ways we can practice how to be good friends. Our morning Stars have been super into drawing and building with LEGO. Our afternoons have been jam packed with lots of loose part art and sensory play like painting snow and orbeez!
