May News...

We have to start off by acknowledging all you Superstar mommas!! We hope you all get smothered in kisses and hugs from your Stars and maybe spoiled a little too because you all deserve it!

We are going to get our growing on as our Stars have been interested in digging, watering, and the growing cycle of plants. There is an interest in bugs so that will be a focus. We will collect worms for our worm jar as soon as we get some rain! We have caterpillars right now that we get to watch turn into butterflies too! We plan to be outside often so please dress your child accordingly and remember sunscreen, hats, water bottles, splash pants, and extra socks.

We have to say goodbye to Miss Sid at the end of this month as she is getting married and moving to BC. Miss Erin left sooner than we planned but we are very excited to announce she had a baby girl named Lily! We are thrilled that Miss Emily, Miss Shay, and Miss Lindsey have joined us to cover and they already have amazing ideas and are brimming with enthusiasm. These wonderful ladies will also join Miss Michelle in our Superstar Summercare!!

Hugs from the Little Star Staff!
