We will be providing “All Day Care”
March 10th and 24th and 27th - 31st
for both St.G kiddos & Little Stars,
So please get signed up as we can
only have a maximum number of
kids!

Our stars have been super intrigued with our dress up clothes lately so if any of the families have old clothes that they would like to donate, our stars would be so thrilled !!! Also boxes, fabric, and any other objects that the children could use to get creative would be an awesome donation as well :)

Happy March!! We will be having St. Patrick's dress up day on March 17th!

With two PD days and a week of spring break please ensure that you are signing up for “**All Day Care**” if needed. With the hope that March brings nice weather please make sure your child has waterproof pants, coat, mittens and boots each day as we would like to enjoy being outside, and also packing extras in their backpack would be very helpful as well as they tend to get wet very fast !!!!

March Birthdays!
