April 2024

Dear OSP Families,

As we welcome the arrival of spring, we are excited to continue our focus on bucket-filling practices, promoting kindness and empathy among our children. With the changing weather, we've noticed a heightened interest in group games outdoors, which we plan to incorporate more into our daily activities. To celebrate the season, we've planted our own plants and will be observing their growth and changes in the coming weeks. As the weather gets warmer, we kindly ask parents to send water bottles to their children to keep them hydrated during outdoor play. Additionally, as the snow melts, we advise sending proper gear such as splash pants and rubber boots to ensure children stay comfortable and dry. Please remember to pack an extra pair of socks in your child's backpack for unexpected changes in weather or outdoor play. Finally, if parents have any comic books to spare, our Super Stars would greatly appreciate the donation. Thank you for your continued support, and we look forward to a wonderful month ahead!
