January 2026

We hope everyone had a wonderful winter break and look forward to the new year! We have noticed a growing interest in art! The children have been expressing themselves through painting, drawing and creating with a variety of materials. We

have a lot of fun activities planned to do with our Kinders Stars this month. We will be diving into all things snow! From winter science and sensory play to snowy art and outdoor exploration, we are excited to embrace the season and discover what winter has to offer together. Though January is typically colder we hope the weather participates as we try to get outside daily and hope to have more chances to play in the snow!

Your Kinder Stars worked hard in November and December to earn a popsicle party and a hot chocolate party. They earned stars in our Star Jar by following our 3 main rules to Be Kind, Be Safe and Be Respectful. We will choose our next reward in January. Congratulate your Star on all their hard work!

- Please dress your Star for being outside daily. (waterproof mittens or gloves, snow pants, coats, boots and touques) No thin gloves as their little fingers get cold and wet quickly.
- Please label your child's items so they do not get lost.

**THIS IS A
